

# ATELIER INCOGNITO

Drawing & Painting

Mansour Bakhtiar

Atelier Incognito provides drawing and painting courses for both beginners and professionals.

The classes are small with a maximum of five students.

You will receive quality one to one tuition to develop and learn new skills, improve your ability and increase your talents.

The students find me an inspiring, approachable and stimulating teacher and my teaching style has led to many satisfied students.

The studio is situated in the center of the Hague.

It is quiet and serene where you will find a sanctuary of peace and inner artistry.

The course is very flexible in terms of the number of sessions and the starting date is negotiable.

Prior to the course, you will be invited to participate in one of the classes to see whether it is something for you.

One-day workshops drawing and painting are also available.

To discover the inner artist within you, please contact me to organise a free trial lesson.
